

The Children's Centre works in partnership with the local Health Visiting staff and Community Midwives, together we form one **EARLY START TEAM**. We aim to get the **right services**, in the **right place**, at the **right time** for all children and families, from pregnancy up to your child being 5 years.

Family Support & Well Being:

Our Children's Centres provide a full range of services and activities, including drop-in sessions where you can stay and play with your children, Music Sessions, Baby Massage, Baby Yoga, Sing & Sign, Parenting courses, ESOL classes, Breastfeeding support and baby Clinic's. We also offer a 1-1 Family Support Service to help families through challenging or difficult times or to signpost and offer advice on where to get help for; Housing, Debt, Health, Childcare, Child Development and other specialist services as appropriate.

Training and Employment Advice:

Are you interested in becoming a centre volunteer, accessing training, starting or returning to work? If the answer is yes please speak to a member of staff who will be able to discuss the support and opportunities on offer.

Information Regarding Local Services: If you require information regarding local childcare providers, parent and toddler groups, starting nursery or school or any other local service please speak to your Family Support Workers.
